## **BACKGROUND OF THE INVESTIGATION AND PROBABLE CAUSE**

### ***Initiation of the Investigation***

5. Based on my training and experience, and the facts as set forth below in this Affidavit, there is probable cause to believe that **BOBBY CYPRUS LINHART**, date of birth XX-XX-2001 (known to Affiant, but redacted), who is the resident located

at 1750 VILLAGE DR. WEST. Apt B., GREENFIELD, INDIANA 46140 (“SUBJECT PREMISES”), has committed violations of the following offenses:

f. **Count 6:** Sexual Exploitation of Minor Victim 6, in violation of Title 18, United States Code, Section 2251(a) and (e), between on or about July 18, 2023 and July 19, 2023; and

**g. Count 7:** Possession of a Visual Depiction of a Minor Engaging in Sexually Explicit Conduct in violation of Title 18, United States Code, Section 2252(a)(4)(B) and (b)(2), between on or about **March 19, 2024**.

6. On May 13, 2023, Fishers Police Department Detective Corey Miller, as part of the Hamilton County Metro Child Exploitation Task Force (HCMCETF), received information in the form of CyberTipline Report 162108097 from the National Center of Missing and Exploited Children ("NCMEC"). The reports were generated due to information submitted to NCMEC by Instagram (Meta Platforms, Inc.).

7. Also attached to CyberTipline Report were two additional and associated CyberTipline reports (159947317 and 162358312). These CyberTips were generated by Snapchat and Twitter (X Corp). Snapchat and Twitter had viewed the material associated with the reports prior to submitting them to NCMEC.

8. The Instagram Cybertip contained two uploaded files of suspected Child Sex Abuse Material and the following user information:<sup>1</sup>

**Phone:** +12106834344

**Date of Birth:** 07-17-2001

**Approximate Age:** 21

**Screen/User Name:** maps.syb

**ESP User ID:** 27052213501

---

<sup>1</sup> Automated file categorization is based on NCMEC's review of uploaded files in this report OR a "Hash Match" of one or more uploaded files to visually similar files that were previously viewed and categorized by NCMEC at the time a PDF of this report was generated.

**IP Address:** 2600:1700:6ce0:3eb0:c5d2 (login 5/11/2023)

**Upload IP address:**

2600:1700:6ce0:3eb0:4d60:5ecd:91e2:be01

9. Detective Miller reviewed the information provided by all three providers.

10. Detective Miller then reviewed the Instagram CyberTip and found the two files of suspected child pornography had been uploaded and distributed by the user account maps.syb on or about May 10, 2023.

11. According to the report, the Instagram user maps.syb distributed the two files to the Instagram user reallysillyXXXX (known but redacted) (ESP User ID: 32792748061). Detective Miller reviewed the videos attached to the CyberTipline Report and verified they were in fact child pornographic material (defined as child pornography under Title 18, United States Code, Section 2256 and as outlined in Indiana IC Code 35-42-4-4). The videos were identical. Below is a description of the two files:

- A. File 1 – This is a 36-second-long video of a prepubescent female. The female is wearing a dark blue dress with flowers on it. The female licks her finger and then bends over in front of the camera, exposing her buttock and vagina. The child then digitally penetrates her anus. The child then licks her finger before ending the video. I would estimate this child to be between 7 and 9 years old.

B. File 2 – This is the same video file as File 1.

***Linhart's Use of Instagram Account maps.syb  
to Commit the Subject Offenses and Attempt to Do So***

12. On or about August 31, 2023, Detective Miller submitted a State of Indiana Search Warrant for the Instagram (Meta Platforms, Inc.) user account maps.syb (ESP User Id: 270552213501). Authority to search was authorized through the Hamilton County Superior Court by the Honorable Judge William Hughes, on August 1, 2023. On August 9, 2023, Instagram responded and provided the digital contents of the account. Instagram (Meta Platforms, Inc.) provided the following subscriber information for the account:

**Name:** Bobby

**Registration (account creation):** 01/02/2020 10:17:11

**Registration IP:** 71.143.82.237

**Phone Number:** 210-683-XXXX (known but redacted)

(verified)

**IP address associated with the account:** 208.70.47.39

2023-07-23 04:48:42 UTC

13. **LINHART** was later identified as being the user of the maps.syb account as set forth below.

14. Instagram is a facility of interstate commerce.

15. In summary, and as set forth below, Detective Miller reviewed the account and located additional images and videos of child pornographic material. While reviewing Direct Messages that **LINHART**, using maps.syb, had with other

Instagram users utilizing the Instagram platform, Detective Miller read that **LINHART** identified himself as a 17-, 21- and a 22-year-old male depending on the user with whom he was chatting.

16. Detective Miller further discovered that **LINHART** (the user maps.syb) was engaging in sexually explicit conversations with minor female children who identified themselves to be between the ages of 12 and 15 years old. In addition to having sexually explicit conversations, maps.syb was able to coerce the minor female children to produce and send nude photographs and videos of themselves as well as arranging to meet in person with the minor female children for sexual purposes.

17. On or about August 17, 2023, Detective Miller submitted three State of Indiana Subpoena's for each Instagram (Meta Platforms, Inc.) account as they relate to Minor Victims 3, 4 and 5.<sup>2</sup> Authority to subpoena each account was authorized through the Hamilton County Superior Court by the Honorable Judge Richard Campbell, on August 21, 2023. On August 24, 2023, Instagram responded providing the subscriber information of those accounts.

18. On September 26, 2023, Detective Miller submitted a State of Indiana Subpoena for the Instagram (Meta Platforms, Inc) account of Minor Victim 6.

19. On September 27, 2023, the subpoena was authorized through the Hamilton County Superior Court by the Honorable Judge Darren Murphy.

21. On September 29, 2023, Instagram responded providing the subscriber information contents of those accounts.

---

<sup>2</sup> Minor Victims 1 and 2 are discussed below. Officers were able to identify them without subpoenas due to identification information contained within the chats themselves.

22. Using these Subpoenas, along with lead information, all of the minors have been identified and their names are known to law enforcement, but are hereinafter referred to as Minor Victims 1-6.

Indiana Statute 35-42-4-3, Child Molest which is defined as sexual intercourse or sexual conduct with a child under 14 years old.

34. I believe based on my training and experience that images described above constitute child pornographic material.

35. On or about July 22, 2023 at 08:38:17, Minor Victim 2, at **LINHART**'s request, produced and distributed a 32-second-long video depicting Minor Victim 2 masturbating in the file entitled video-1812f757-d345-4120-9250-26eef0e02ca4-1689997091.mp4 (685788710035191).

36. I believe based on my training and experience this video constitutes child pornographic material.

37. Accordingly, I believe that on or about July 22, 2023, **LINHART** sexually exploited Minor Victim 2 in that he enticed her to produce a file entitled 1812f757-d345-4120-9250-26eef0e02ca4-1689997091.mp4 (685788710035191).
